by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. The department of health is directed to report to the house health and human resources committee and the senate general welfare, health and human resources committee on or before December 31, 2005 concerning hospital-acquired infections after consultation with the Tennessee Improving Patient Safety coalition and program and receiving any recommends from such coalition. The report shall address issues involving hospital-acquired infections raised by Senate Bill 441/House Bill 1342.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
